

Australian Sailing Safety Compliance Declaration 2017-2021

DECLARATION BY THE OWNER OR OWNER'S REPRESENTATIVE for Category 6 events

After ensuring that your boat, equipment and training is compliant with the Australian Sailing regulations, complete this form and hand it in to the Organising Authority.

I understand that compliance with the *Australian Sailing Special Regulations 2017 . 2021* for racing and cruising boats is a condition of entry and participation in Williamstown Sailing Club events. I have read and understood the Owner's obligations, as set out in Part 1, Section 1 of the *Australia Sailing Special Regulations 2017-2021* for Category 6 events and affirm that the boat and equipment to which this declaration applies satisfies those regulations.

I understand that the safety checklist provided by the WSC is only a guide to the Australian sailing regulations and does not limit or reduce the complete and unlimited responsibility of the Owner or the Owner's Representative, as defined in 1.02.1, 1.02.2, and 1.02.3 of the *Australia Sailing Special Regulations 2017-2021*. If the boat, to which this Declaration applies, is used for a category of racing other than Category 6, I undertake to complete an additional declaration for that Category.

I confirm that I have **insurance cover** as required by the Notice of Race and undertake to maintain that insurance while participating in races.
